## Grand Knight's Message — “The Courage to be Catholic”

This month, we as citizens have the tremendous responsibility of selecting our next President. Our Bishops have been clear that we must be informed citizens and must not leave our Catholic values at the door when entering the polls. The Supreme Knight has also been clear that we must stop finding reasons to support those candidates who do not support the Culture of Life. At several of our recent meetings, Father Gerard has also echoed the sentiments of our leaders—we as Catholics cannot support those who believe that abortion is anything other than the intentional taking of innocent human life.

While currently disguised as a “right” flowing from the judicially fabricated Constitutional “right of privacy,” we cannot stop calling abortion what it really is – no matter how few believe what we believe. Our faith and morals are founded in Truth and are supported through the generations by the lives of learned and faithful persons who we now acknowledge as members of the Communion of the Saints. It is our duty as Knights to defend life and acknowledge the sanctity of every human person both born and unborn.

It is easy to get discouraged and simply say, “The abortion battle is lost, I might as well select the guy who will make sure I have healthcare coverage or will create new jobs.” We must avoid this temptation and cannot be swayed by the propaganda of our adversaries. No, we as Catholics have more of a voice than the liberal secular left will acknowledge. There are currently four practicing Catholics on the United States Supreme Court, with the Chief Justice among them.

In several states, Catholics have united in efforts to get “Personhood Amendments” to state constitutions on the ballot. These provisions seek to make abortion illegal in that state therefore, setting up a Constitutional showdown that would give the Supreme Court the opportunity to overrule *Roe v. Wade*. And contrary to what the liberal left will tell you, there are several compelling legal arguments that can and will be advanced in time to overrule *Roe v. Wade*.

Be strong, stand up for Truth, and have the courage to be Catholic.

In closing, I want to congratulate our Warden, Mike Collins, and his wife, Laurann, on the birth of their son, Timothy James, on October 12.

Vivat Jesus,

Scott Gedeon
